Firstly I would like to express my appreciation for the opportunity, it was an informative course. I really enjoyed the

Aasir Omer
Telecom and Network Engineer

Really I want to Greet Eng. Manhal and Eng. Salih for their extraordinary effort they did on this valued course.

thank you for every knowledge we get for every info you shared.

Also I want to thank all engineers for their team spirit,motivation and inspiration.

This course (Network Services & Monitoring) added to me a lot knowledge and practical side I missed. certainly I m

I hope if recorded videos for all Labs.

Eventually I recommend this course for every IT specialist.

Gamaraldeen Alshaikh
Network and Technical Support Engineer
March 2019

Salam,,,

I really enjoyed the course. It gives solid understanding about the DNS and a good knowledge about mail system and

at the end of the course you will be able to configure netbios and you will monitor your system services as well as

I encourage you to go through all the course and I will guarantee that you will have a strong understanding of the
