

# Participants' Feedback: UNIX/Linux, Networking and DNS Online Course

Your valuable feedback will assist us in our continuing effort to provide the best possible always .  
Thank You for sharing!

Thanks SDNOG for the great opportunity has given to me, I thought linux and DNS are very difficult

Nahid Elhussein Ahmed  
1 August 2018

It's powerful course ,I have learned new topics like configure a DNS and working with free-BSD  
Thanks ISOC , SDNOG ☺☺

Abd alazeim  
Software engineer

First of all, I am so grateful for giving me the opportunity through this course. It was wonderful to be part of the group, it was over expectations of any online course. Having practical objects was surprised me, for my point of view it is only for another courses. I am really appreciated you letting me chosen. Very good contents, great practice and astonishing. Thank you very much.
