sdnog sponsorship opportunity

sdnog forms an excellent platform for experts and people interested in networking and ICT to come together, to discuss related issues and suggest better ways for Internet governance and network management. Sponsoring sdnog activities will give you the opportunity to meet the central people who effect the ICT sector, and will develop your social network and reveal potential opportunities. Moreover, it is a perfect opportunity to increase the visibility of your company, as a promoter of ICT in Sudan. In addition, helping such activities will enhance the knowledge level countrywide and thus improve quality of the employment market.

if you interested please check our sponsorship benefits sheet
