

UNIX/Linux, Networking and DNS Online Course: Participants' Feedback

Your valuable feedback will assist us in our continuing effort to provide the best possible always .
Thank You for sharing!

Thanks SDNOG for the great opportunity has given to me, I thought linux and DNS are very difficult areas to login,

Abd alazeim

Software engineer

First of all, I am so grateful for giving me the opportunity through this course.

It was wonderful to be part of the group, it was over exceptions of any online course.

Having practical objects was surprised me, for my point of view it is only for another courses not online ones.

I am really appreciated you letting me chosen. Very good contents, great practice and astonishing teacher.

Thank you very much.

Azza Izzaldeen Hasbalrasool

University of Gazira

Frist of all it's my pleasure to one of this class and of this online course as well it was the best online course that I have ever taken.

Mohamed Adam Ibrahim Yousif

Nile Center For Technology Research

Alneelain University

As one of my best experiences in my career is SDNOG introduction to network operation based on freeBSD which is very useful and practical.

Thank you SDNOG and thank you all for having the opportunity to be one of you!☺

Ahmed Baha Aldein
